User Guide

First a warm welcome from the See My Family team. This site has been created for you, your relatives and your friends, and we hope you will be able to really enjoy it.

If you have been invited as a guest to this site follow the **Visit the Family Tree** instructions. You may also want to create your own Family Tree, and should follow the **Own a Family Tree** instruction.

Visit the Family Tree!

- If you have not yet done so, Sign In, or Login by entering your login and password in the upper right corner of your screen.
- Follow the Go to your Family Tree link in the upper left corner of your screen.
- Click your Family Tree name.
- You are in your Family Tree!

Find at the top of the screen :

genealogy by [**names**] [**years**] [**birthdays**] [**pictures**]

to access the list of people registered on the site

names: ordered by family names and christian names.

years: ordered by year of birth.

birthdays: ordered by birthday and presented as a calendar (For people for whom an exact birthday is known).

pictures: list of pictures on the site by chronological order.

Click on a name to access a family tree centered on the person, with 2 generations above and 2 below (from grand-parents to grand-children).

Click on a picture to see it in full format and get links to all the people present on the picture.

Tree details:

John SMITH (1800-1865)	Mary JONES (1805-1880)
---------------------------	---------------------------

Click on a name to recenter the tree on a person.

Click on dates to open a the person's biography in a separate window, with comments (shared with other members of the family) and pictures.

The following links appear above each tree:

John SMITH

View All Parents		[Horizontal]	[Vertical]	[Table]	[Excel]
View All Children		[Horizontal]	[Vertical]	[Table]	[Excel]

All Parents:

Horizontal an inverted pyramid based on the chosen person including all his/her forefathers.

Vertical an pyramid on its side similar to the previous.

Table a table presentation of one's forefathers.

Excel identical to the previous in an Excel format. If this version fails (Excel not installed, too slow, etc...) try the previous which you may select, copy and paste into a spreadsheet.

All Children:

Horizontal a pyramid topped by the chosen person including all his/her heirs.

Vertical an pyramid on its side similar to the previous.

Table a table presentation of one's children.

Excel identical to the previous in an Excel format.

These versions may be very heavy to generate. Be very patient!

Biography details:

- Make them Administrators (able to add/update information to your Family Tree) by moving them up the participants list under Administrators (select the person and click the up link)
- Remove them by clicking the delete link

Participants to your Family Tree are those able to access the information. These are independent from you the people you present in your Family Tree (your relatives).

Add information to your Family Tree

The information gathered in your Family Tree can be divided in 4 categories:

- **People and Couples:** They are your Family Tree! You, your parents, their parents, etc...
- **Comments:** Family events, anecdote and stories linked to people
- **Pictures:** Photographs linked to people
- **Information:** Essentially the Family Tree homepage

To update this information

- Follow the Go to your Family Tree link and click on your family name. You are now in your Family Tree (return to See My Family by clicking on the top left Tree icon).
- Find the Admin link on the top right corner and start updating People, Couples, Comments, Pictures or Information.
- Each category has its own online help guide. We suggest you use our Wizards when available. Should you encounter any problem don't hesitate to contact us, we will love to help you.

Use our Contact Us page if you have any question about the service.

See My Family is constantly being improved, please feel free to send comments and suggestions to make it even better!
